Federal Election Commission
999 E Street, NW.
Washington, D.C. 20463

ID Number: C000397737

Reference: Amended 30 Day Post General Report (10/14/04-11/22/04)

To Whom It May Concern:

Our committee is in receipt of the Commission's above referenced letter. Please see below for our response. Thank you for the opportunity.

After filing the original Post General report, the individual responsible for filing our reports was made aware that certain staff members were to receive election "win" bonuses. These bonuses were agreed to as a part of the respective employment contracts for the committee staffers. The individual was not aware of this fact at the time of the filing and, therefore, did not report these bonuses as debt as should have been done. In an effort to complete the public record, the amendment was filed reflecting this debt on schedule D.

We trust that this response is sufficient. If any further information is needed, please do not hesitate to contact us.

Thank you,
Reichert for Congress
